Professional Development for Administrators Agenda

Description

This interactive workshop is designed to support Districts and principals in implementing the coaching program with fidelity. Participants dig into the research, best practices, and structure of the program. Participants will practice applying specific features of the coach/coachee process by practicing through hands-on activities and observation of a mock coaching session. Participants will receive a prescriptive, implementation plan to use following the workshop that can be customized to their needs.

Session Outcomes

By the end of the session, participants will be able to

- apply best practices for usage and recommended implementation strategies;
- effectively integrate program components to support principals' job satisfaction and becoming improved leaders of instruction;
- utilize specific program design knowledge to implement an effective coaching practice; and
- understand the coach/coachee relationship and incorporate the resources within to practical application.
